

EHV is a special interest group of the Victorian Division of the Institution of Engineers (Australia) and Engineers Australia.

ENGINEERING HERITAGE VICTORIA
a Special Interest Group of

ENGINEERS AUSTRALIA
Victoria Division

Our role is to promote the achievements of engineers.

Engineering Heritage Victoria operates through a Committee. Day to day matters are in the hands of the Chairman assisted when necessary by an executive committee.

EHV conducts a range of events. Regular trips and site-visits are conducted. Through our Guest Speakers' Program, we host five or six talks each year on specific aspects of the history and heritage of engineering. All events are advertised in the EHV Newsletter and on our webpage.

Membership of EHV is free and open to any interested person. You do not need to be an engineer nor a member of the Institution of Engineers. To join, send an email to ehv@engineersaustralia.org.au and place "Subscribe" in the Subject Line. You will receive meeting notices, newsletters and notification of events. At present, we average slightly more than one emailout per month.

The committee for 2008 is :

Chairman : Don Bartlett
Deputy Chairman : Miles Pierce
Members : David Beauchamp
David Brown
Matthew Churchward
Brian Harper
Colin Heggen
Alan Holgate
Richard Honess
Michael Kelher
John McCutchan
Ken McInnes
Emma Russell
Bruce Sandie
Mark Williams
Al Winnett
